Gillingham, Kenneth and James Stock (2018) The Cost of Reducing Greenhouse Gas Emissions. *Journal of Economic Perspectives*, 32(5): 1-20.

In the published version of manuscript, there was a typo in Table 2. The lower bound estimate for CAFE standards should be \$-107.40 rather than \$48. This estimate is from Kok et al. (2011) Table 8. In the “Final Working Paper” version on our websites, this typo has been corrected and the Table has been reordered.
